

## **Moran Selects Danny Rasure of Goodland for Internship**

WASHINGTON, D.C. - Congressman Jerry Moran today announced that Danny Rasure of Goodland is a Congressional intern in his Washington, D.C. office.

"The internship program is a good opportunity for young people to get a better understanding of the federal government," Moran said. "I am happy to have Danny working on behalf of Kansans."

A native of Goodland, Rasure graduated from Goodland High School in 2001. He is scheduled to graduate from McPherson College in December of 2003 with a Bachelor's Degree in Business Management. While at McPherson, Rasure was a member of the college's Business Club and took part in two community economic development initiatives, Mainstreet Strategic Marketing and McPherson Vision 2010.

Prior to coming to Moran's office, Rasure was an intern with Senator Sam Brownback and with the National Association of Manufacturers.

"It is a tremendous opportunity to experience the workings of the House of Representatives," Rasure said. "I look forward to using my previous experience within the Senate and a lobbying firm to help others."

In the office, Rasure will assist Congressman Moran and his staff with legislative and administrative duties on behalf of the people of Kansas' First Congressional District.

Danny is the son of Kevin and Christie Rasure of Goodland.
